## KASHRUS FORGERY ALERT!

Dear Rabbi / Kosher certification organization,

A forged Kosher certificate printed with Badatz letterhead and bearing the BADATZ seal, recently started to circulate, claiming that some 11 products of

**ROYAL INGREDIENTS GROUP B.V at Alkmaar, The Netherlands**

are allegedly Kosher & Kosher for Passover by BADATZ.

At least in 2 instances, this counterfeited certificate was presented by a company based in the US and named:

**St. Charles Trading, Inc. 650 N. Raddant Rd, Batavia, IL 60510**

We have never ever certified these 2 companies.

We are, of course, taking appropriate & immediate action to remedy the situation.

We do urge you to bring the above information to the attention of all your colleagues and Rabbis, so that they reject anything offered by these 2 companies based on presentation of the crudely forged Kosher certificate.

בתפילה שלא יצא ח"ו תקלה מתח"י,

ועד הכשרות
